

Print out these  
"gratitude leaves"  
for your class.

Have each child fill  
out what they're  
thankful for.

**Suggestions:**  
sunshine, friends,  
family, pets, learning,  
parents, talents &  
abilities, food to eat,  
special toys,  
creativity, brains.

**print these on  
autumn-colored  
card stock, or  
have the kids  
color them in  
oranges, yellows  
& reds.**

**Teachers:** you don't  
have to be super-crafty for  
this project. Just line up three or four sheets of brown paper in a vertical column for a tree trunk.
